REMARKS:		
<p>For info.</p> <p>Against the probability that <input type="text"/> will not return to work, <input type="text"/> is keeping his hand on the arrangements John made for DDP history. He should not spend much time on this until he is through with Vietnam and so is not now activating the proposed DDP Historical Board, but he is directing the researches of <input type="text"/> now on this staff, is keeping in touch with <input type="text"/> and has conferred with a group of historical writers in WE, the only division with an active program.</p> <p>Attached are some guidance papers he gave the WE people. The recommendations on p. 4 of his memo to me he will take up with the Historical Board in due course.</p>
